**ABSTRACT**

*Innisfree is a beauty product originating from the country of ginseng korea which has been widely used by the people of Indonesia and even other countries. At present, Innisfree has collaborated with Korean actresses and actors to promote their products in various countries. The purpose of this research is to determine the effect of the price of Innisfree cosmetics on the Shopee marketplace, Innisfree cosmetics promotions on the Shopee marketplace, the decision to purchase Innisfree cosmetics on the Shopee marketplace and the magnitude of the influence of price and promotion on purchasing decisions for Innisfree cosmetics in the marketplace shopee. This research uses descriptive and verification methods. Data collection was carried out using a questionnaire technique. The sample in this study amounted to 100 respondents who are the people of Bandung City. The results of this study, based on collecting questionnaires, show that prices and promotions have a significant effect on the purchasing decision variable. This is in accordance with the results of the hypothesis testing which means that prices and promotions have a role in influencing purchasing decisions for Innisfree cosmetics at Shopee.*
